

# SOUTH HILLS CHURCH

During the month of January, I invite you to think back over the previous year and take a few moments to journal your thoughts to serve as a personal point of reference during this time next year. So often we forget what God has done in and through our lives until we take the time to reflect, remember, consider, celebrate, grieve, repent and/or recommit our ways unto the Lord. Along with the questions below, you may find it valuable to document your present fears, hopes, desires and prayers as you move into this new year. **You may want to consider the following:**

1) Words the Lord has spoken to you; 2) Scriptures that have inspired you; 3) Experiences that have shaped you; 4) and/or Relationships that have impacted you. You may choose to write, type, draw, paint or color whatever and however you want as long as it fits within a standard #10 self-addressed envelope which will be collected on Sunday mornings during January. Have fun with it as you look to the Lord for hope and direction this year.
